Cristobal Salted Pollock Fillets
16 oz. Poly bag

Everyday convenience and value.

For those customers who buy salted fish as their everyday "go to" fish protein, or for anyone looking to give salted fish a try – Cristobal Salted Pollock is an ideal choice.

Pollock is lighter and less dense than Cod, yet when soaked properly, it retains its lovely light cured flavor. Like our Cristobal Cod, it's always wild-caught. Less expensive than Cod, it's become very popular in major cities across the US – meeting the needs of a growing Spanish, Latino & Caribbean consumer group.

- Cristobal pollock is a year round item that is especially popular at the holiday dinner table during Easter, Lent, and Christmas.
- Packaging is in both English and Spanish. Product is typically freshened in a water soak for up to 24 hours before cooking.
